

CHANGE FAMILY DOCTOR!

The Social Insurance Bank (SVB) would like to inform all BVZ insured that during the month of September 2021, you will have the opportunity to request a change of your Family doctor free of charge. Change is only possible once a year.

Procedure

Insured persons, who would like to make use of this opportunity can make an appointment **via sita.svbcur.org**. You can make **one** appointment per family. The insured must bring a valid proof of identity (sédula, passport or driving licence) and his/her seguro card.

An authorized representative must submit his/her identity card, authorization and proof of identity of the insured. The insured must agree in advance with the desired family doctor whether he/she needs confirmation for the SVB to register with the relevant family doctor.

For further information, please contact the Employers and Registration Department by telephone: 434-4214/ 434-4000.
